IASA Journal - The IASA Journal is an open access, double-blind peer-reviewed, bi-annual publication that is highly regarded by scholars and the sound and audiovisual archive community

International Relationships - IASA is a founding member of the CCAAA (Co-ordinating Council for Audiovisual Archive Associations) and has representation at strategic UNESCO meetings.

IASA Conference

The IASA conference sets an agenda for ongoing debates in sound and audiovisual preservation. Our most recent conferences were 2018 in Accra, Ghana, 2017 in Berlin, Germany, and 2016 in Washington, DC, USA.

The 50th Anniversary Conference is being hosted by The Netherlands Institute for Sound and Vision in Hilversum, Netherlands, 30 September – 3 October 2019 and is scheduled in conjunction with the Joint Technical Symposium (JTS), also to be held in Hilversum, Netherlands, 3 – 5 October 2019. Joint sponsorship opportunities are available (inquire below).

The 2019 conference is an opportunity to demonstrate new technologies, new systems, and joint efforts that yield innovative services to connect our audiovisual heritage with a wider audience, make possible new and diverse use cases, and effect more robust and resilient preservation efforts. IASA is committed to creating an inclusive environment that serves all people and their cultural heritage.

Why you should become an IASA Sponsor

Being an IASA Sponsor is a unique opportunity to showcase your business in an international forum attended by key players in sound and audiovisual broadcasting, archiving, preservation, and restoration.

Our 50th Anniversary Conference will be met with great celebration and is expected to attract our largest delegation to date. In conjunction with the JTS, this year's conference is a must-attend event.

Sponsoring the IASA Conference not only facilitates IASA's initiatives in the world of sound and audiovisual archiving, but constitutes valuable social investment in maintaining the education, training, standards and guidance we provide.
